You're bilious, sluggish, constipated. You feel headachy, your stomach may be sour, your breath bad, your skin sallow and you believe you need vile, dangerous calomel to start liver and bowels.

Here's my guarantee! Ask your druggist for a bottle of Dodson's Liver Tonic and take a spoonful to night. If it doesn't start your liver and straighten you right up better than calomel and without griping or making you sick I want you to go back to the store and get your money.

Forty a Day Die in Moscow. Use Houses as Fuel. Berlin, Dec. 3.—No less than 1,206 persons, an average of forty a day, were sentenced to death by Moscow revolutionary tribunals and executed in Moscow during September, according to the official Soviet organ, "Isvestia."

The same paper throws light on the desperate fuel situation in Moscow by stating that 5,000 wooden houses have been torn down in Moscow to provide fuel for the people.

SAYS HIS PRESCRIPTION HAS POWERFUL INFLUENCE OVER RHEUMATISM

Mr. James H. Allen suffered for years with rheumatism. Many times this terrible disease left him helpless and unable to work.

He finally decided, after years of ceaseless study, that no one can be free from rheumatism until the accumulated impurities, commonly called uric acid deposits, were dissolved in the joints and muscles and expelled from the body.

With this idea in mind he consulted physicians, made experiments and finally compounded a prescription that quickly and completely banished every sign and symptom of rheumatism from his system.

He freely gave his discovery to others who took it, with what might be called marvelous success. After years of urging he decided to let sufferers everywhere know about his discovery through the newspapers. As has been appointed agent for Allenhu in this vicinity with the understanding that he will freely return the purchase money on the first two bottles they who state they received no benefits. Sold by all druggists.

Auction Sale

Public sale of Holsteins at Rockbridge Dairy Farm Wednesday, December 15 (rain or shine), on the farm of David N. Rust, Jr., located three miles east of Leesburg, Loudoun county, on the Washington Leesburg Pike and being on Goose Creek, ten minutes walk from Compher Station on the Washington and Old Dominion Railway. Car leaves Alexandria at 7:10 a. m., arriving at 9:30 o'clock. Will be met. Having decided to discontinue dairying I will offer at public auction on above date and place without reservation my entire herd of milking Holsteins, 80 head, 16 head registered animals, 64 head high grade cows. The majority of these animals have been bred and developed right on the farm and were sired by such noted bulls as King of Butter Boy, King's Son and Soldiers Home Woodcrest Tehee. These cows are all young straight and sound and have never been forced in dairy, but simply run on blue grass pasture in summer and consumed the roughage on the farm in winter with little grain fed. Consequently they will respond immediately to heavy feeding. Some are fresh now milking well and quite a number due within thirty to sixty days. All bred to fine registered bull. The grades are well marked and will make a valuable addition to any herd. The pure breeds carry some of the best blood of the breed. The cows have just passed the annual Federal test and health certificates can be issued for shipment to any state in the union. This herd is considered to be on one of the best in Northern Virginia.

Terms of sale. Three per cent off for cash or a nine months' note with satisfactory indorsement.

Lunch served on grounds. David N. Rust, Jr. owner, 1400 H Street, Northwest, Washington, D. C.

\$50,000,000 WAGERED IN MARYLAND RACING

Greatest Season in Annals of Four Tracks Just Ended

Baltimore, Md., Dec. 3.—The stupendous sum of \$50,000,000 or more, passed through the betting machines of the four big Maryland race tracks during the season of 110 days just ended, according to figures obtained yesterday.

The new State Racing Commission has not yet made its report to the

Governor on the first six months of its operation, covering only the autumn meetings, but the figures given are regarded by persons in close touch with racing affairs as being, if anything, under the real amount.

Turf writers agree that it was a banner season for racing in this State—in the quality of the racing, attendance and financial results.
